

Tartar Teen Talk

By Kimi Takeuchi

Tuesday marked the day that expectant, and not so expectant THS students received their report cards. These cards were filled out by each of the period teachers with academic, as well as citizenship grades. Report cards were sent home with the students and were to be signed by the parents and returned to school the following day.

In order to earn money, the Conquistadores, Torrance High School's Spanish club sponsored a popcorn ball sale on Tuesday. The popcorn balls were sold in the snack during snack and lunch and the sale was very successful.

A CLEAN CAMPUS Campaign was launched last Wednesday as students came to school to find posters in all available places on campus to remind students that litterbugs were a menace to a clean campus. At the end call, a Clean Campus play entitled "Sinnerville Cleans Up," written by teacher Roger Axworthy, was presented to the student body. Starring in this one-act play were members of the journalism class and Student Council. This play involved the problems of a littered campus. During fourth period, special editions of the TNT, which were written on the subject of Clean Campus, were distributed to all classrooms.

Boat Service Offered Area

A service for boating enthusiasts to match the land service offered by America's automobile club, believed to be the first such service in the United States, is being offered by the Rumley Boat Bargain Center at 1261 N. Gaffey St., San Pedro, owner Sam Rumley announced yesterday.

The service will make boat a pleasure instead of a chore, Rumley said.

"All the boat owner has to do is call us at any hour, day or night, and we will be prepared to handle a tow job, motor overhaul, launching, docking, or any special problem that the boat owner may have," he said.

Rumley's boat hospital will operate 24 hours a day and will be manned by skilled boat mechanics, "Doc" Rumley said.

Free tow service will be offered within the breakwater and as far out as horseshoe kelp.

Rumley said he had the first place in Southern California offering inside boat storage and free boat washing and launching.

22720 Eastwood St., a son, Richard Atwater Jr., Nov. 5.

The pamphlet was prepared over recent months as a result of problems arising in the Harbor Area from public teen-age dances which came to the attention of social agencies and police officials. A Youtherving Agencies Committee was formed last May to gather the best thinking of all parties concerning so future problems arising from such dances might be avoided.

Based on the experiences of agencies such as the YMCA, the YWCA, the Boys' Club, Toberman Settlement House, House, and the Los Angeles City Police Department, the pamphlet outlines recommended procedures for setting up teen-age dances, reviews city ordinances covering such affairs, outlines guides for selecting and preparing chaperones for dances, and gives tips on how to handle problem behavior which may occur during the course of a dance.

The committee which prepared the "Guide" is composed of Miss Marion Fatout of Toberman Settlement House, Miss
